ACTIVITIES-ORGANIZATIONS

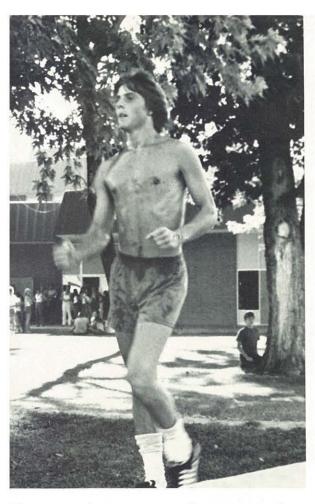

Registration: A Mini-Course in Chaos

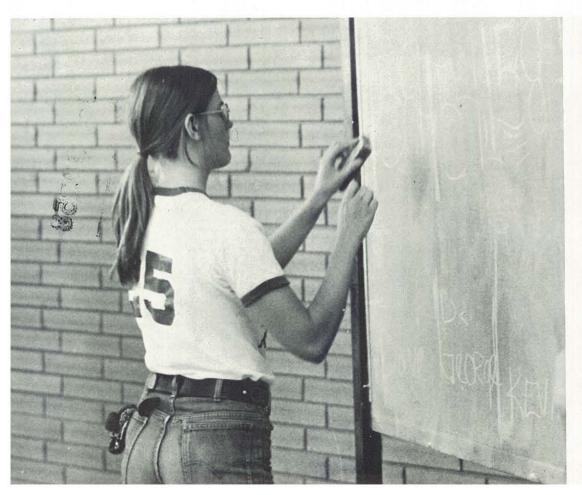

It was a typical registration time as five hundred enthusiastic freshmen stormed through the doors of Kenneth Montgomery Gymnasium at 8:00 a.m., Monday, September 1. It marked the beginning of a long and chaotic three days. For students it was a time of confusion and hassles; for seeing old friends and meeting new ones. It was a relief for all when it was over.

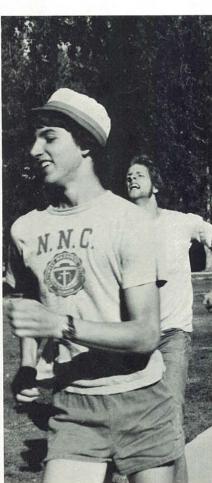

Olympic Walkathon: Blister Buster

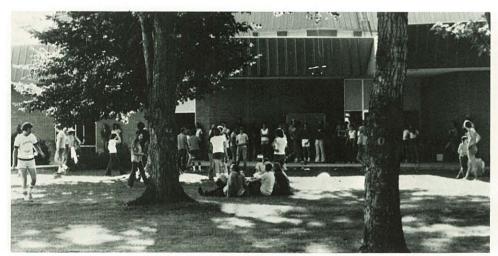

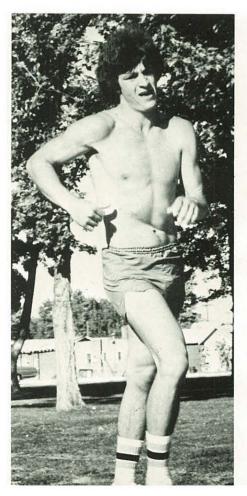

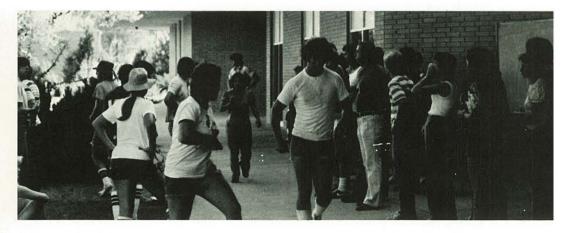

One of Coach Terry Layton's new ideas for getting everyone involved with intramurals was an Olympic Walkathon. On a warm Saturday afternoon all the societies had their "heel and toers" out in front of Wiley Learning Center ready to go. Each walker had fifteen minutes to make as many laps around the square between the Library and the Learning Center as he could. The number of laps each one walked were counted to his society, then each society totaled their laps. The Spartans won, with Dave Titterington having the most individual laps.

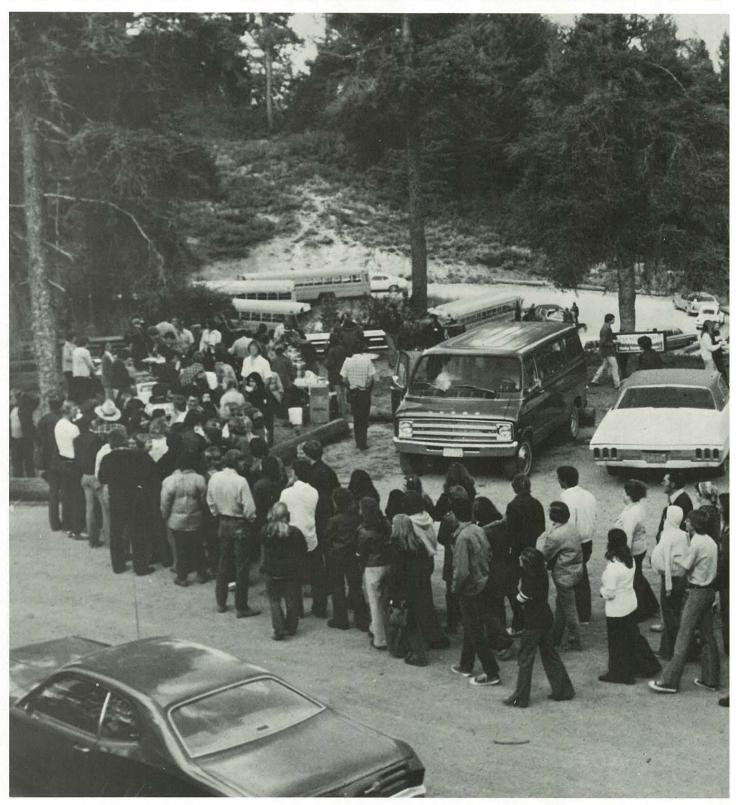

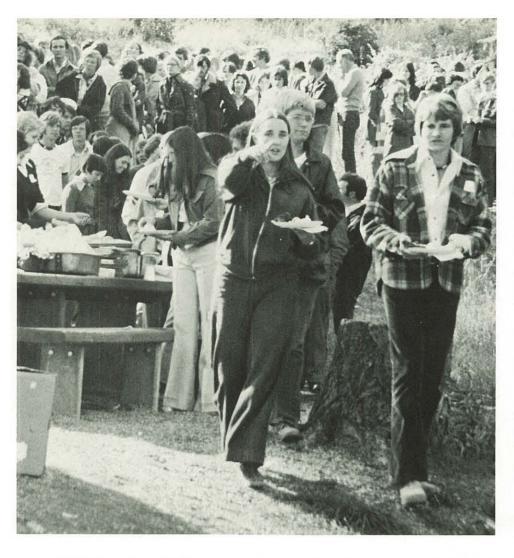

All School Picnic. Lots of Food and Fun.

On Labor Day at 4:00 p.m. NNC students and faculty loaded on the buses and headed for a park up by Bogus Basin for lots of fun and food. Students and faculty alike joined in the games and relay races. All too soon it was time to load back up and head for home; many with new friends.

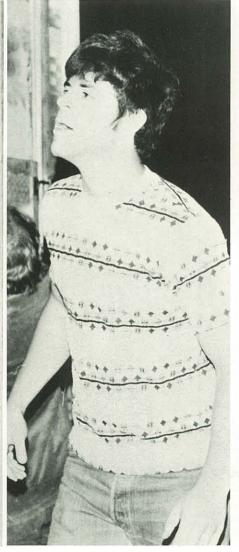

Freshman Initiation

At 5:30 a.m. on September 27, the Freshmen had a rude awakening. They were gotten out of bed and herded into a cattle truck. They then were taken down to the local car wash and put through twice, to make sure they were all drenched, if not

clean. The next stop was Karcher Mall parking lot where they were taken out of the truck and doused with flour simultaneously. They were then left to find their own way home, looking more like Pillsbury doughboys than our Freshmen.

Blood Drive Produces 148 Pints of Blood. Haunted House Produces Witches and Vampires.

160 donors rolled up their sleeves October 6 to take part in the 1975 Red Cross Blood Drive at NNC. All day the Student Center was buzzing with activity as nurses from Mercy Medical Center helped gather information about the donors and take the blood. The 1975 goal of 150 pints was only missed by 2 pints, with 148 pints being drawn from NNC'ers.

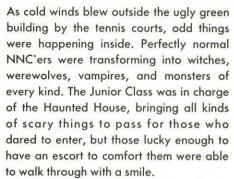

Homecoming 1975 — A Time to Remember

Rorthwest Razarene College

NOV WELCOME ALUMNI 26-27 OUR AMER. COUSIN 27 8PM IMPERIALS QUART

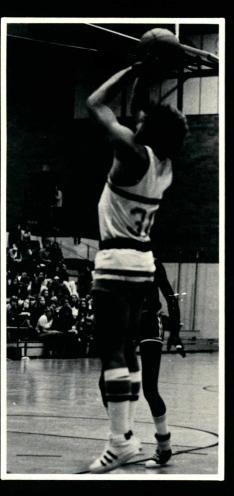

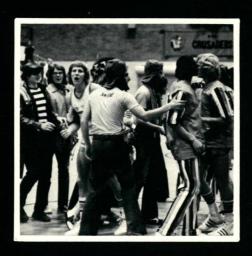

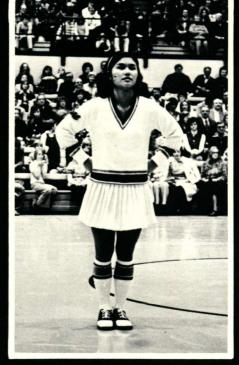

Homecoming brings excitement and a feeling of revival. Fond memories come back into focus and separate generations are enveloped together in the warm cloak of tradition. It's a time when alumni gather back to their alma mater, princesses and a queen are chosen, and basketball gets its spectacular start of the season.

This year the traditions of the school took their course, starting with the Alumni Chapel, Wednesday, November 26. Thanksgiving Day provided the Thanksgiving Banquet by Saga, the presentation of the play "Our American Cousin," and the Imperials concert that night. Friday started with various Alumni Breakfasts, with the Homecoming Chapel and the Alumni Banquet that afternoon. Homecoming was ended Friday night with the coronation of Bonnie Woodbeck as Homecoming Queen, and the winning of the basketball game with Montana.

Saga Provides Food for the Homecoming Banquets

The Thanksgiving Banquet is provided for the visiting alumni, parents, and students who don't go home for Thanksgiving. Saga did a fine job of providing for them this year. The Alumni Banquet is a special banquet held annually in honor of all the alumni present. This year it was held at Saga dining room on Friday, November 28.

Love and Special Things; the Sweetheart Banquet

The Sweetheart Banquet was held at the Rodeway Inn, in Boise, February 12. The theme for this year's Banquet was: Love and Special Things. Steve Jahn was the master of ceremonies and Dr. C. S. Cowles was the speaker for the evening. "The Children of the Day" provided music for the Banquet.

Senior Slick: A Trip Back Into Time.

On February 6, we all climbed into the time machine to take us whirling back into the 1950's for a night. As the pep band, in their classy 50's style, played and the cheerleaders led in the 'ol' Rah! Rah! Rha's!', we were wondering where all the grease came from. From the game we were transported to a party "50's style," where the stars of the evening were the heavy singing group "Pennzoil and the 50 weights," they were followed by the roaring "Hill's Angels" and "Stardust." After the party we all climbed back into the machine to transport us back to the present, but the guys found out that the machine forgot to wash their hair.

Jeremiah People Portray 'First Love'

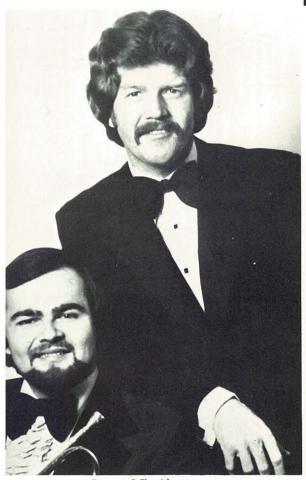

"We are not ministering to those who are not Christians, but to those who are. Our message is the need of Christians to get back to that first love and burning zeal that they had for Christ when they were first saved." The Jeremiah People relayed that message October 28 by skits and songs and their own testimony.

The Imperials on Thanksgiving Night

With their bus snowed in at Billings, Montana, the Imperials flew here, leaving all their equipment behind, to sing at NNC. With borrowed equipment and an enthusiastic crowd, they succeeded in giving a great concert. The Imperials were a perfect ending to a day of "thanksgiving" to the Lord.

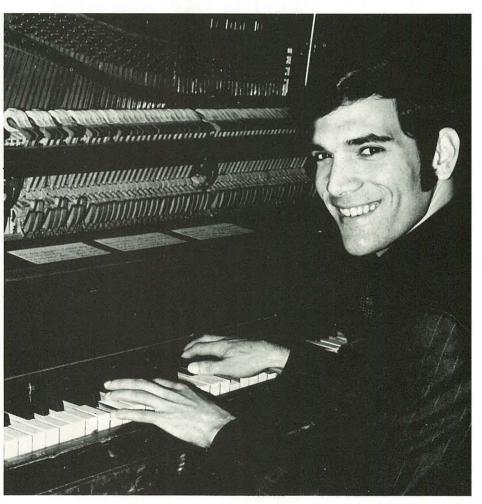

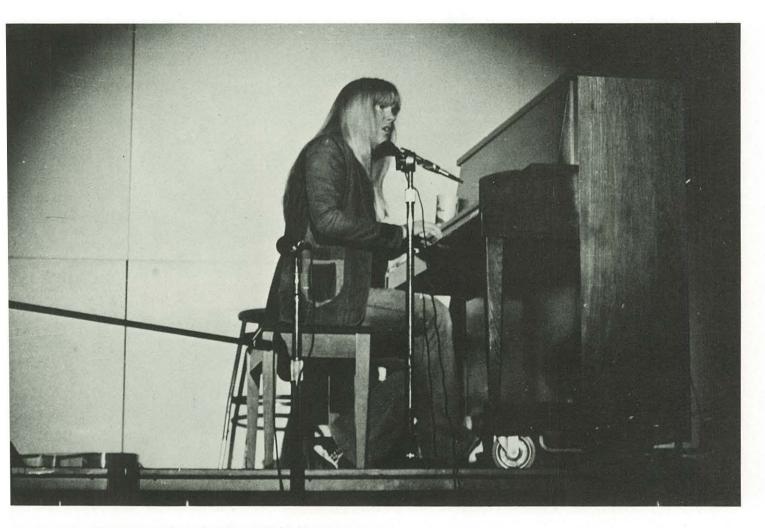

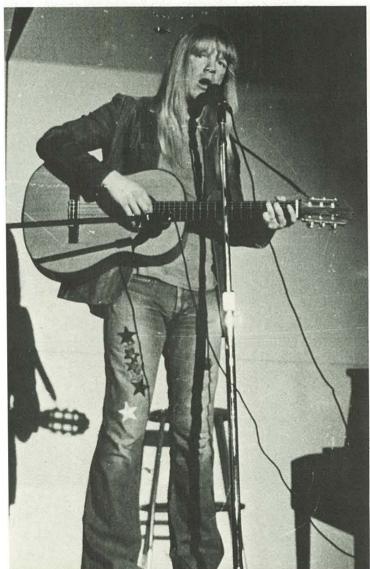

"Children of the Day" Sing for Sweethearts and Others.

The Children of the Day performed for the Sweetheart Banquet on February 12 and gave a concert afterwards, also. Their guitar and piano accompaniment along with their singing provided a mellow atmosphere for the evening.

Larry Norman: Why Should the Devil Have All the Good Music?

Larry Norman was at NNC on April 5 to give a concert. He is a gospel "rock" singer and writes much of his own music. His contention is that Christian music does not have to be confined to hymns. He is joined by many in that opinion. He is one of the most popular Christian singers and writers today.

Crusader Choir Has an Exciting Year

Crusader Choir is a sacred concert choir for students who have already had College Choir. Try-outs are held at the end of the previous year.

This year the Choir sang their annual Christmas Concert, toured the northeastern side of Washington and the northwestern side of Idaho during Spring Break, and sang at many of the churches in the area. Crusader Choir also sang the Brahams Requiem with the Boise Philharmonic on March 8th and 9th, 1976.

Northwesterners Give a Bicentennial Salute

The Northwesterners are an ensemble singing group. They sing sacred and secular music and try-outs are held at the end of the previous year.

This year they gave their annual Christmas Concert, December 5th and 6th, sang in several Chapel services, sang at many of the churches in the area, and gave a Bicentennial Concert, March 5th and 6th. They also toured Alaska during the last two weeks of May and the first part of June.

Lab Band: "Where Is the Love"

Lab Band is a large ensemble band (mainly saxophones, trumpets, and trombones) that plays secular music. They have two main concerts during the year, a fall concert and a spring concert. This year their fall concert was given on October 17th and 18th, and its title was "All The Things You Are." "Where Is the Love" was the title for their spring concert on March 19th and 20th, which they sold recordings of.

Student Recitals: Something for Everyone

Student Recitals during the year are a vital part of NNC. The Music Department is very active and recitals are the way that participating students perform their perfected work. It is also a good way for students who enjoy listening to music, to do so without spending a lot of money. There are many types of recitals with numerous types of instruments and voices. There is something for everyone with recitals by the students.

Readers Theater — A Spell of the Unknown

Getting Ready

Taylor's "Our American Cousin" is really a farce satarizing the mid-nineteenth century English aristocrat, the American citizen, and the elements of the then popular melodrama.

The play's action centers around Vermont Yankee, Asa Thenchard's (Jerry Cohagan) visit to England for a glimpse of the English branch of his family, and all the things he finds here.

Junior Class Presents "Blazing Guns at Roaring Gulch"

The Junior class this year put on the melodrama "Blazing Guns at Roaring Gulch," which centered around the coincidence of two lost twin brothers, one a villain and the other a lawman, coming together in very unusual circumstances.

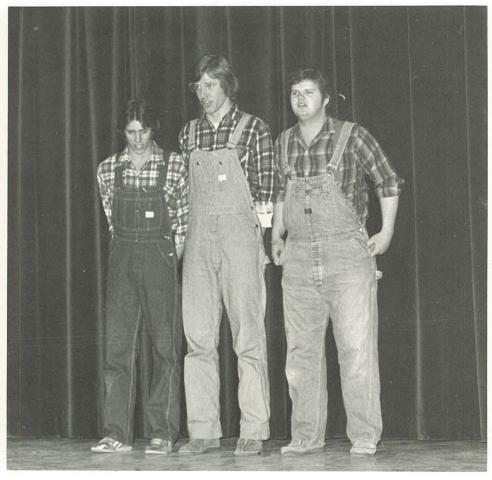

They also put on several short skits before the melodrama from the era of the melodrama theater.

"Malibu Night" A Big Success

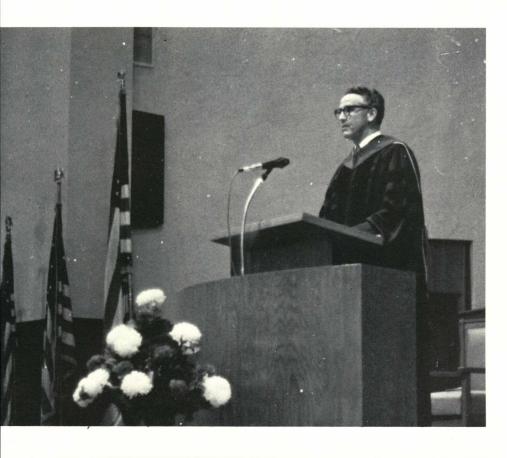

The First Annual Malibu Night was held May 7 on the lawn by the Administration Building. It all started at 3:30 p.m. with skin-boarding contests, then at 5:30 dinner was served outside. After dinner several groups such as the "Beach Boys" and the "Letterman" performed for the large audience, then after the concert the film "Five Summer Stories" was shown in the Science Lecture Hall. The flashback to the "60's" in California was a big success.

A Way to Get Involved

What do organizations offer the NNC student? There is no single answer, but perhaps the best is that they are a way to become involved. Too often you hear complaints about the lack of things to do on campus. However, no matter what your interests may be, they probably can be developed within an organization on campus which, in the process, will make you feel a little more a part of NNC. If you are interested in government, there is everything from the student governing body itself to the dorm councils. If you are socially minded, there is the Social Work Club and CWB. But whatever your interest, they are all waiting, the publications, religious organizations, and special interest clubs, for you, the student, to join.

The ASNNC Executive Council, consisting of the ASNNC President, Executive Vice-President, Social Vice-President, Business Manager, and Secretary, is the head of the student adivities and enacts all legislation given by the Senate.

The Senate represents the Student Body as a whole, with representatives from each class. It decides how ASNNC money is to be spent and how much student fees will be. Senate sets and appropriates money for student services such as the Bike Rental Program, the Book Exchange, and the airport taxi service. They also provide for the salaries and game supplies at the President's Home.

The Senate makes recommendations and all committees report to the Senate.

This year they appropriated money for the typesetter for the Crusader, bought a new piano for the President's Home, started Archives for the Senate for five years, and investigated the possibilities of Telo-lectures (lectures given over the phone).

The Student Life Policy Committee sets up and reviews all the policies of the school. They create the Handbook and all the policies that go in there, such as Dorm hours, Chapel cuts, and Dress Code.

This year the New Dorm policy came into effect and for next year they have added extra chapel cuts. Also there is going to be more personal consideration of the circumstances in reviewing violations of conduct policies off campus (such as dancing or going to movies).

The Student Life Executive Committee (student members are: Brenda Creasman, Barney Beer) hears any kind of appeals. They hear appeals to the Deans' decisions, and after nine Chapel cuts they either give fines, probation, or both, depending on the case.

General Missionary Society is the organization that deals exclusively with missionary work. Each year they have a main project, either on the Home Missions or the Foreign Missions field, that they raise the money for and then go and do. They raise the money by pledges from students, faculty, and other interested parties. After they have raised the money they need, they send a team to the place where their project is, in the summer, to use the money and their own time and labor, to complete that project. Beside their main project they also try to fit in small projects between terms.

This year GMS's project is to build a church in Bonál, Dominican Republic. Bonál is a city of ten to twenty thousand located sixty miles east of the capital, Santo Domingo. Sixteen people (shown at right) from NNC are to build a pumice block church in the three weeks they will be staying there. GMS, through pledges raised \$3,000 toward the \$10,000 it cost to build.

CMA is the Collegiate Ministerial Association at NNC. This organization takes in not only ministerial students, but also those going into a Christian Education field.

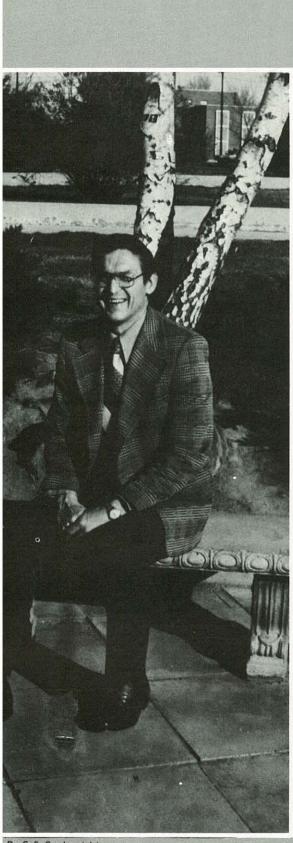

This year Ron Wilde, president of CMA, has tried to bring in speakers and discussion on the practical side of the ministerial work, and on things they would not get in a classroom. A good example of this

would be their April meeting where they learned about architecture for churches.

They have a meeting once a month where they usually have a guest speaker. At their last meeting for this year, a dinner banquet, Pastor Charles Higgins of Nampa First Church spoke. They also have three chapels during the year where they usually have one of their members speak.

CWB's main goal is "to share Christ with the community, the college, and the church." They have many singing and other types of groups that share the gospel, along with student ministers. They visit convalscent homes, Rescue Missions, the Idaho State Penitentiary, and many of the Nazarene churches in the educational zone. This year they have also included a puppet group which visits the children in churches of various denominations around the area. CWB also is in charge of three Chapels during the year.

<u>Oasis</u> is the name of the yearbook put out by ASNNC for the student body.

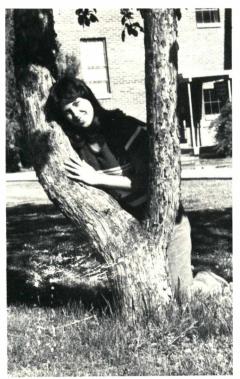

The Oasis staff this year (headed by Jon Harris, editor) has tried to put together a quality yearbook which accurately depicts the school year, 1975-76, at NNC. Many long hours go into organization, layout and design, photographic work, writing, typing, and preparation for publication. We hope our work is rewarded by your enjoyment of this book as NNC's book of the year.

They ended their year with a banquet at the Country Inn in Nampa. SCRIBLERUS is a literary club open to all students and faculty that meets once a month to discuss a book of its choice, just out of an interest in reading. The books discussed this year had an international slant, as each author represented a different nationality. They included: Zen and the Art of Motorcycle Maintenance by Robert M. Pirsig, Watership Down by Richard Adams, Siddhartha by Hermann Hesse, Notes from Underground and The Grand Inquisitor by Fyodor Dostoyevsky, The Wanderer by Alain-Fournier, and The Greek Passion by Nikos Kazantzakis.

Puts Together a Fine Team — First Year at NNC

The Crusaders ended this year with a good demonstration of team play on offense and defense, to accumulating a fine 14-12 record. Although the team, during the playoffs, lost a close game to Linfield, 75-73, this season was the first since 1968 to enter the district playoffs. Seven different high point men led the orange and black through the season. Sophomora Rommie Lewis led with an average of 16 pts. per game and 8 rebounds. Others in double figures were Dar Bruner with 12 pts. per game and both Rich Hills and Ed Weidenbach averaging 10 pts. The Team is anticipating the upcoming season.

NNC Wrestlers Have Best Season Ever 11-2

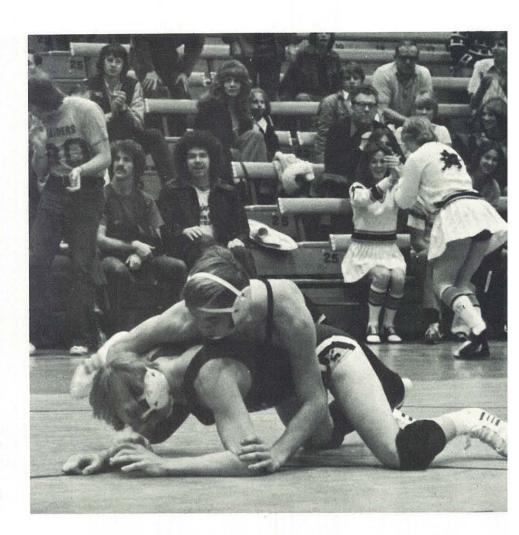

This was the best season that any Crusader mat squad has ever had. The wrestlers scored more than any NNC wrestling team ever, by outscoring their opponents 418 to 216.

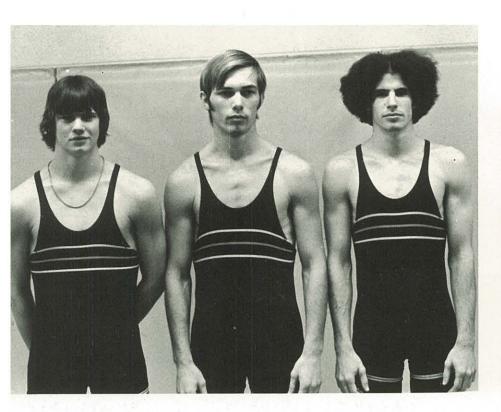

The dual meet record which finished with 11 wins and 2 losses could have easily been a year with no dual defeats. Only two individual matches stood between the Crusaders and a 13-0 record.

During the season, a total of ten out of sixteen men had winning records. The three best dual records were put together by Mike Powers, Rick Lande, and Brett Carl. Carl took fourth in the NAIA District II Tourney. Losing only Lande, things look good for the 76-77 season.

After it was determined that Steve Hills was ineligible, the cross-country team seemed to lose its spark and did not have many good performances the remainder of the year. Even though the team was forced to forfeit its wins individual performances were outstanding. Steve Hills consistantly took first place in most events breaking one three mile course record by 34.1 seconds. Randy Fox also helped out in points and ran well with times like 25:41 at the 4.7 mile CSI Invitational.

The other members of the team must be given recognition for each of their individual performances were respectable and added to NNC Harriers strength. Even though this year's team was disqualified there is good news for next year's season. All of the members of the team will be coming back next year in hopes of receiving the honors they deserved this year.

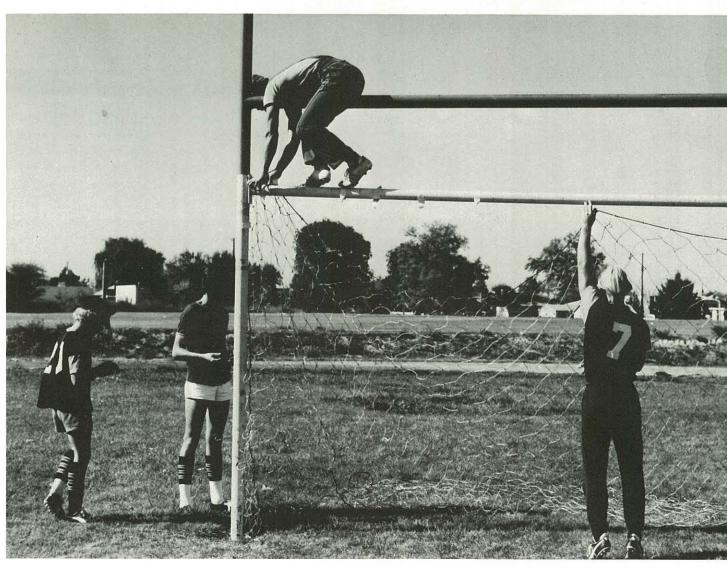

Left to Right: Mark Pridgen, Dave Titterington, Terry Burke, Doug Bish, Randy Fox, Steve Hills, Little Taylor, Walter Tracy, Coach Taylor.

In only its third season of play, NNC's soccer club has made a valuable contribution to the reputation of NNC in the sports world. With a season record of seven wins, three ties, and one loss, NNC took second place in the Treasure Valley Soccer League.

Right: Garth Hess always seems to be one step ahead.

Best Year Yet — Second Place

Left: Curt Bowes powers the ball in.

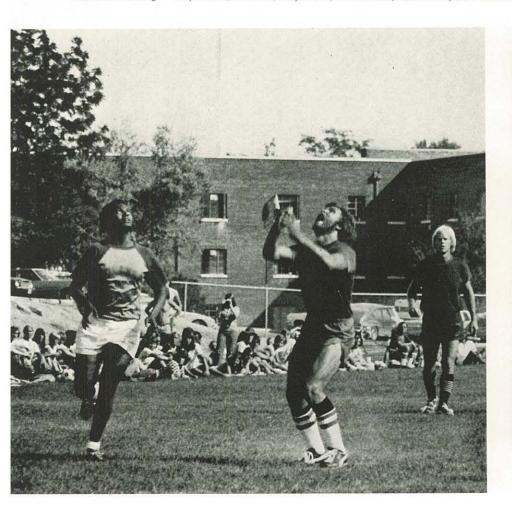

This year's soccer team combined speed, determination, and love for the game to achieve the club's best record yet. In a hard fought game against BSU, NNC lost to the defending champion only after overtime and a tie-breaking procedure.

Team: Standing — Harold Pearson, Randy Bekkadahl, Larry Wood, Bob Cotner, Mike Moon, Garth Hess, Mark Lathrop, Don Larson, Chuck Johnstone. Kneeling — Larry Hooker, Ken Goos, Jerry Bowen, Ed Powlesson, Mike Cullum, Kevin Rosenau.

Crusader Baseball Swings Through Another Rough Season But Have Fun Anyway

Another season has passed by as our baseball team took on another round of thrills and spills.

Throughout the season the team showed a great deal of potential.

Many times the team came close to victory against many of the powerhouses of the league; other times they didn't come so close. The baseball team should be stronger next year with the good crop of freshmen that participated this season.

A Day in the Life

Steve Hills Dave Titterington Qualify for Nationals

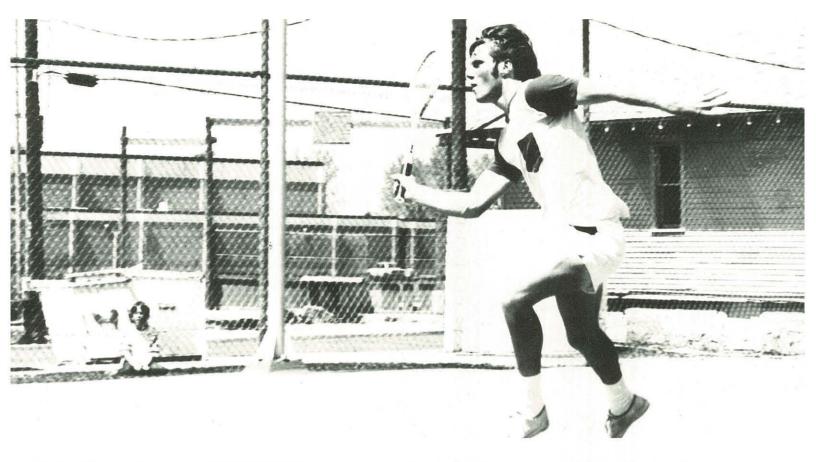

of a Track Man

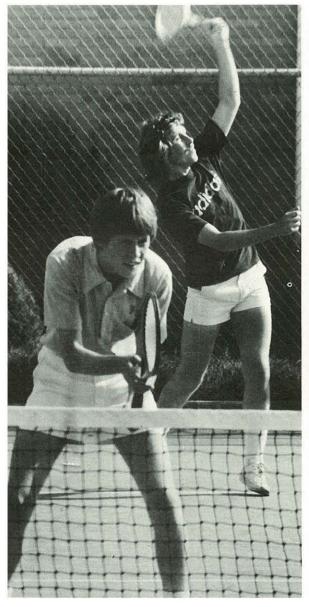

This year's track and field team showed several individual and team efforts that contributed very much to the team as a whole. Several records have been broken, especially in relays, which boosted the morale of the team higher. The team was highlighted by Steve Hills, Dave Titterington, and Randy Fox. Those who were new showed remarkable talent, thus next year is hoped to be an improved season.

Good job Randy.

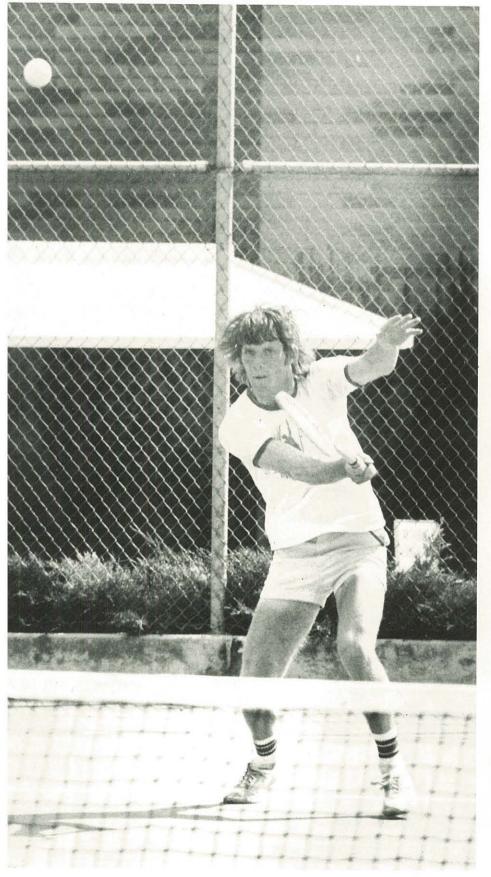

Not Too Many Aces, 3ut There Was "Love" in Every Match

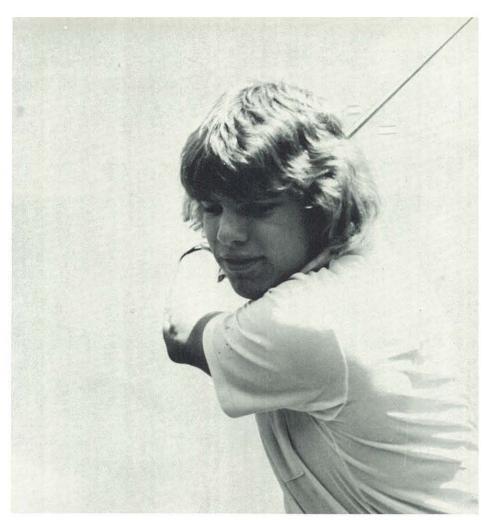

This year the tennis team has battled through another season. Each player has really contributed his efforts in both singles and doubles helping the team to hang in there. Two players represented NNC at districts this year, Rich Hills and Ray Wardlaw. Being that the backbone of the team will be returning next year, we can look forward to a successful season.

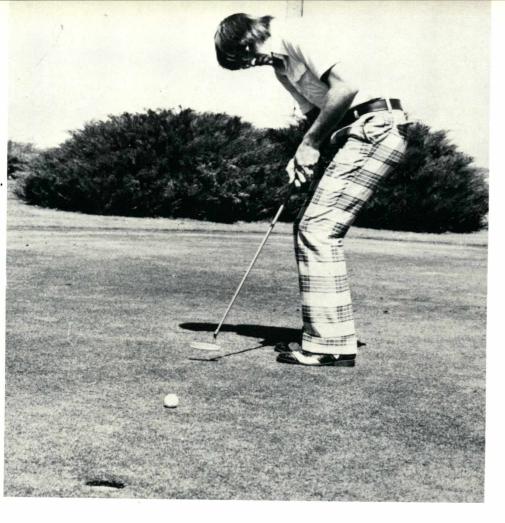

Below: Coach Layton.

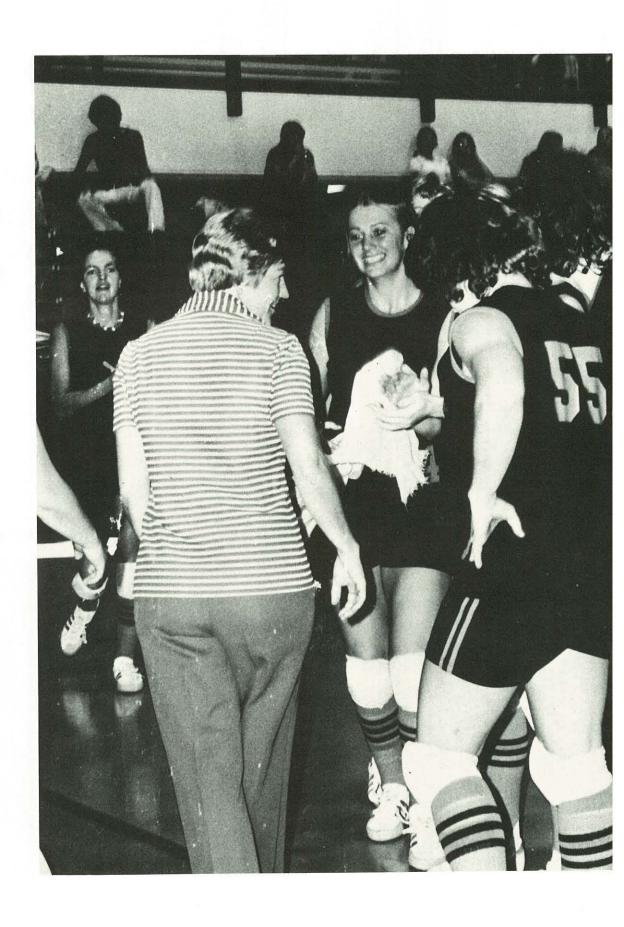

Golfers Putt Through Another Season

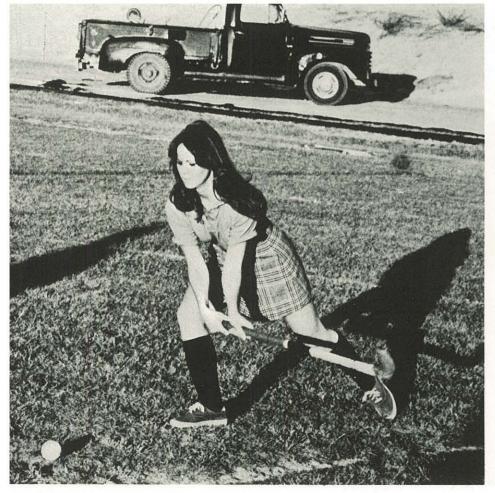

This year's golf team has new steps in gaining attention. Even though they were inexperienced — NNC was represented quite well. Our leading golfers, Paul Jackson and Greg Bullock, have helped to shape our team's representation. This is a building year. Most of the team is coming back, so next season should really be up to par.

Girls' Track Highlighted by Individual Talent

Coach Jean Horwood is extremely pleased with the efforts of this year's track and field team. The team has put forth individual effort worth recommending, such as freshman Andi Tucker in the High Jump. With the outstanding effort that has been shown this year, the next season should prove to be interesting.

The women's field hockey team concluded a successful season at the Northwest B Tournament in Eugene, November 21 and 22. With the support of many area parents, the women defeated OSU B team 2-O, tied both Lane Community College 0-0 and George Fox 1-1; and lost to Southern Oregon College 2-1 in a hard fought contest. The season record was 5 wins, 3 ties, and 10 losses. Over half the team was in the novice category at the start of the season; however, improvement was steady and the team developed into a quick and aggressive unit by the season's end. Losing only two members to graduation, Evelyn Goslin and Julie Robinson, prospects are bright for the 1976 season.

Prospects Good for Winning Hockey Season

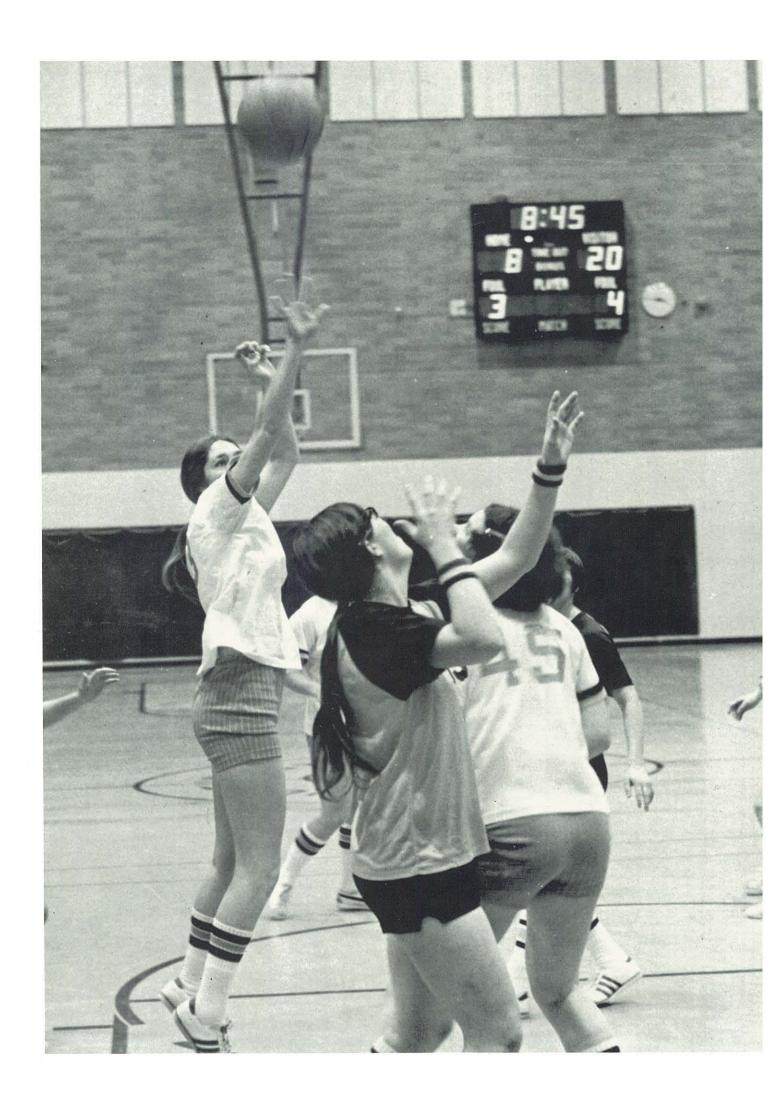

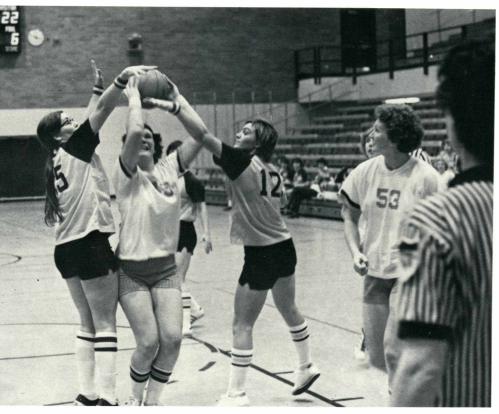

Team: Back — Doreen Lay, Loree McKinney, Jan Hamilton, Brenda Tyska, Sandy Hollinger, Joan Shockley, Coach Mrs. Horwood. Middle — Joy Shaffer, Evelyn Goslin, Julie Robinson, Pam Bekkedahl, Cindy Dickey, Cindy Steele, Becky Nibblelink. Front — Kathy Mayers.

Girls' Basketball Qualify for NCWSA Tourney

The Women's basketball team finished their season with a 14-12 record and second place in the Inland Valley Conference with a 5-3 record. The Gals did a great job in outscoring their opponents 1271 to 1166, and rebounding 1047 to 770. In a playoff with Whitworth we won the berth to the NCWSA Tournament. Six freshmen, two sophomores, one junior, and two seniors made up the team of eleven that went to Regionals. We had a great season and are looking forward to another outstanding season next year.

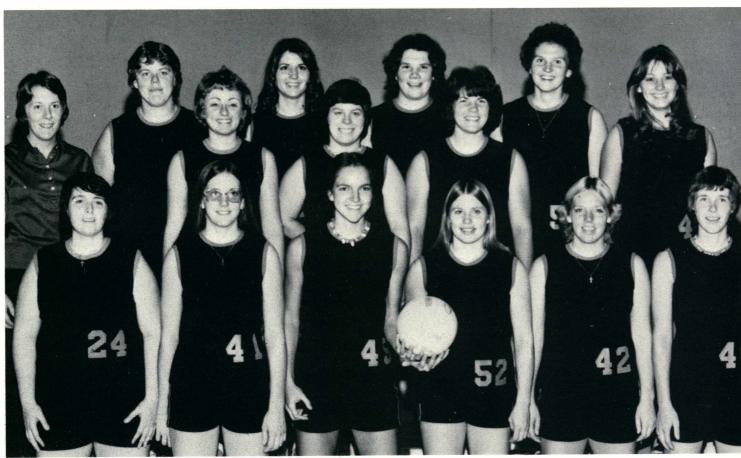

Back Row — Kathleen Sheldahl, Mary Luhn, Debbie Rutan, Julie Robinson, Barb Knapp, Cherry Stedman. Front Row — Nancy Kellmer, Kathy Mayers, Judy Kornstad, Pam Bekkedahl, Vivian Gosnell, Debbie Dossett.

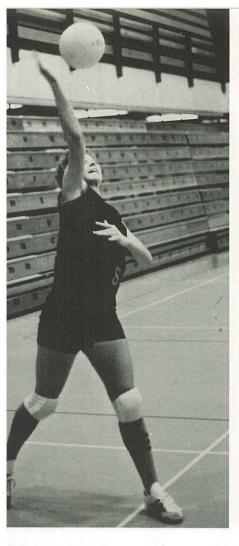

Girls' Volleyball Team Make National Playoffs

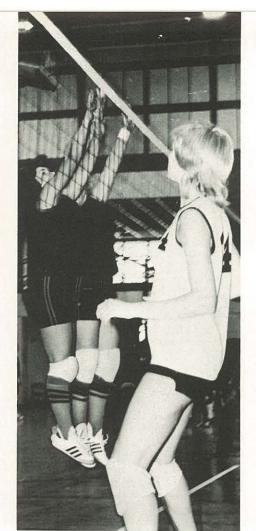

Under the coaching of Miss Hopkins, the NNC volleyball team blasted through a season of victory to be stopped only after reaching the National Playoffs. Coach Hopkins stated, "This is the best-skilled team I've ever coached and each girl has a lot of potential." In their second year of varsity competition, NNC has reason to be proud of their volleyball team on a best-ever season.

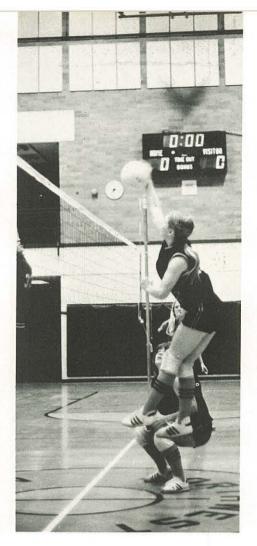

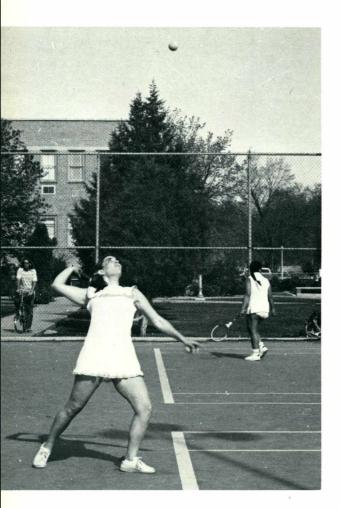

Back Row — Colleen Johnson, Vicki Whiton, Connie Neifert, Debbie Rutan, Mary Luhn. Second Row — Myla Hodgins, Beth Haton, Nancy Kelmer, Sandy Wegner. Front Row — Cherry Stedman, Tanya Norwood, Vivian Gosnell, Barb Knapp, Judy Cornstad, Debra Dossett.

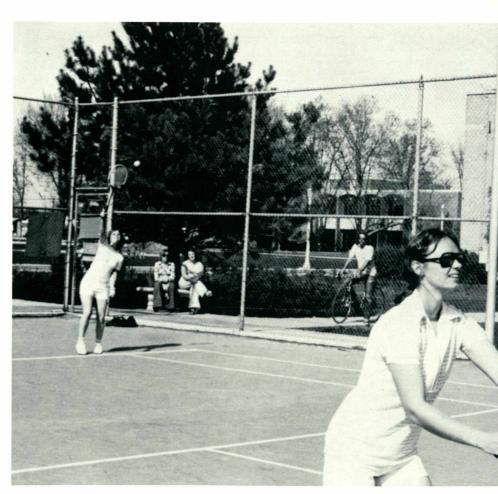

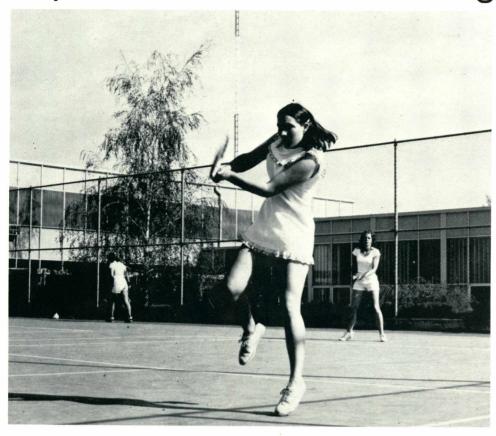

Back Row — Sandy Burkhart, Jenise Tobridge, Karen Rusch, Gail Richards, Janet Burkhart. Front Row — Vivian Goslin, Debbie Roberts, Pam Williams, Theresa Small.

Experience Gained Through Rough Season

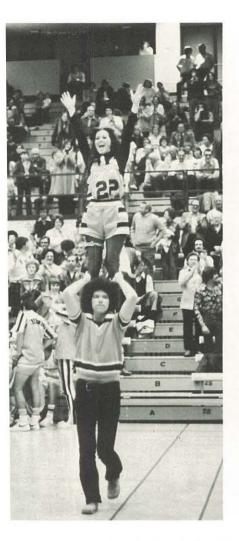

The women this year have done a good job, in spite of inexperience. We are looking forward to an upcoming successful year. Janet Burkhart was the outstanding player this year. With gained experience, and next year's recruits, this young team could potentially do very well.

Almost Everyone Participated This Year in One Way or Another.

This Year There Were a Lot of Active Intramuralers Intramuraling

Under the direction of our new Intramural Director, Coach Layton, NNC had one of its better years in intramural activities. New events brought to the school were weird relay races, swim meet, spring football tourney, and a human foosball game.

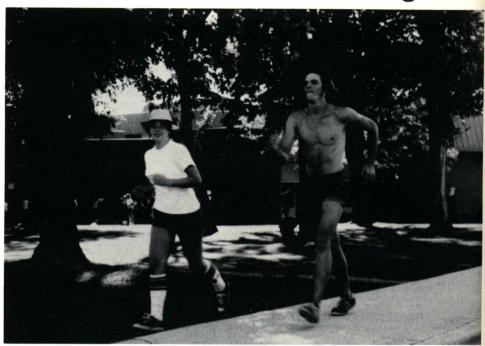

Another event that should not be forgotten was the His and Hers softball game.

One of the biggest events in intramurals this year was the walkathon with many kids of the student body participating.

ADMINISTRATION — FACULTY

President Pearsall and the First Lady

has been three years since Dr. Kenneth earsall became the eighth president of lorthwest Nazarene College. From his rst day on campus one of his main objecves has been to keep a strong spiritual tmosphere in the school. More than once e has shared with the students that the urden on his heart is that every person light "seek God's kingdom first." He is oncerned that our campus be a place here those searching may find spiritual uidance.

lew campus improvements have been

proposed. Chapman Hall is to be remodeled by expanding the bathrooms and putting in new showers. Vetville (the married-students apartments), are to be torn down and new units built in a different location. There are also plans in the near future to expand the athletic fields. This would include new tennis courts, another ball park and added parking space.

The President has admitted that there have been bad times with the good, but could think of no other place to live because he believes this is where God wants him.

Congratulations to all Northwest

Nazarene College Graduates in this and other years.

Twenty-six years ago a small group of persons met to form the Spokane Valley Church of the Nazarene. Their aim was to minister to the needs of those who live in this community. The church has enjoyed a substantial growth which may be attributed to its ministry of healing love. Those who worship here discover a warm fellowship which is generated by a spirit of caring. The pastor and congregation extend a welcome to all who seek wholeness in a broken world.

Lest We Forget.

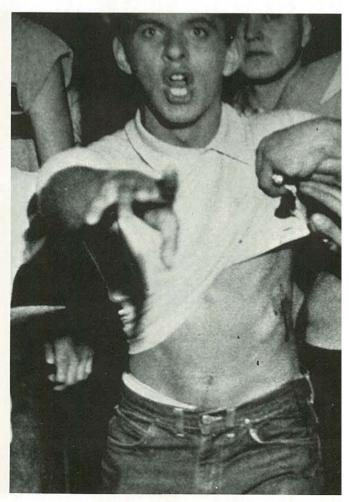

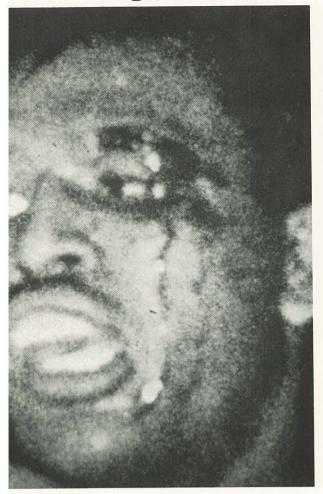

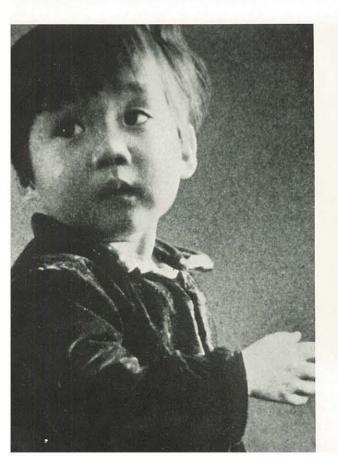

he Forgotten Others

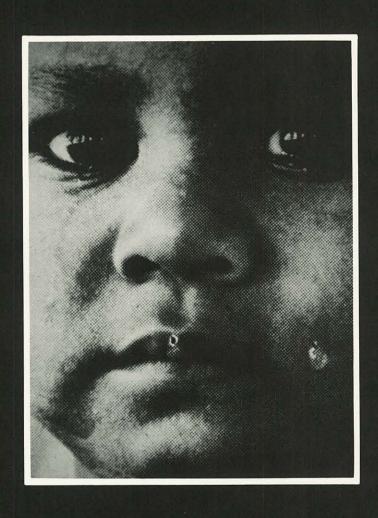

as i sit in my own little cubbyhole and enjoy the warmth and my friends, i sometimes hear a faint little cry so weak, yet so clear come in.

i don't like the sound for it makes me think that things everywhere aren't all right. and i don't like to think unpleasant thoughts, for it takes the comfort out of life.

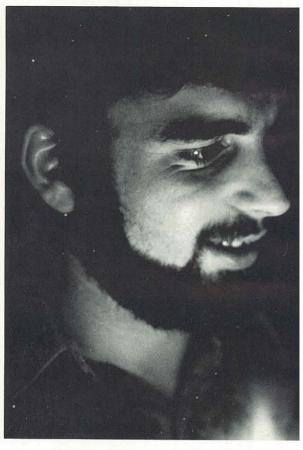

so i turn up my stereo or t.v. set to preserve my simple way of living, and hope that the cry will fade away in the dampness of the night.

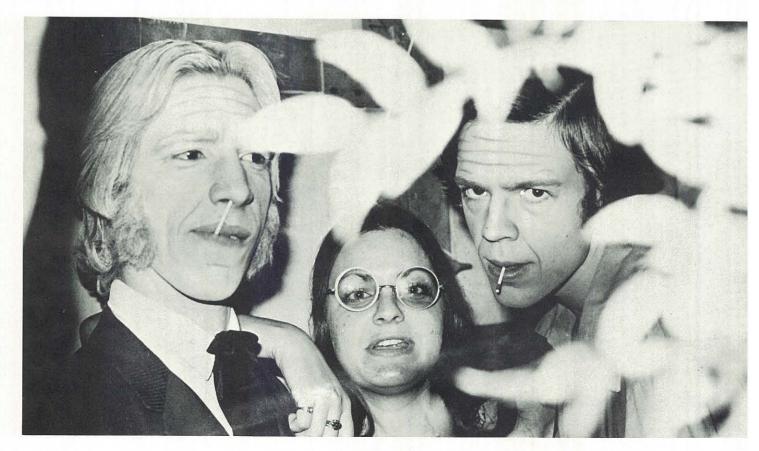

it bothers me.

In the Midst of All Our Laughter and Fur But Remember Where Our Joy Comes From

Let's Not Forget Those "Others" and Share It.
